

# JOBY

JOBY creates solutions that inspire unconventional content creators and smartphonographers around the globe. Its products include mounts, stands, and grips that are flexible, easy to use and designed to elevate the potential of the latest CSCs, DSLRs, and mobile devices.

JOBY's innovative accessories bring creative vision to the next level, empowering users to capture images from any angle. Famous for the iconic GorillaPod line of flexible tripods, JOBY's mission is to keep revolutionizing content-creation.

As the go-to brand for Gen Z content creators, the company believes that great design starts with a user-centric approach, is functional yet playful, and enhances people's lives. The brand has a strong and loyal following of customers who are passionate about both innovative design and functional performance.
